Our first stop will be at the Giza Plateau, home to the legendary [Giza Pyramids](#) and iconic [Sphinx](#). Marvel at the incredible architectural feats that even to this day puzzle archaeologists and consider opting for a camel ride to make the experience truly unforgettable.

Leaving the pyramids behind us, we travel on to the necropolis of [Saqqara](#), brimming with sand-strewn temples, ancient tombs, and the site of Djoser's [Step Pyramid](#). Later this evening, we will make our way to the train station for our overnight journey to Luxor by sleeper train.

Luxor Arrival and Temple of Luxor Lightshow

Upon arrival in Luxor, we transfer to the hotel for check-in. Considered to be one of the most important archaeological sites in the world, ancient Thebes, known today as Luxor, will be our base for the next two days.

Today there is free time to kick back and relax, and later in the evening, there will be an optional excursion to the Temple of Luxor that is included in our [Luxor Day Tour](#). Already impressive during daylight, the temple takes on a magical glow after dark as it becomes illuminated by a thousand colored lights (book and pay locally). Spend the rest of the evening at your leisure.

Day 4

West Bank and East Bank

Today your guide and driver will be waiting for you at your hotel to start your adventure exploring the West Bank of the Nile, home to the famed [Valley of the Kings](#). Your tour will continue in the Valley of the Kings and on to the [Valley of the Queens](#), the site of the imposing colonnaded temple of Queen Hatshepsut.

Crossing back over to the East Bank, we will return to our hotel for some free time before heading to [Karnak Temple](#). More than a temple, Karnak is a spectacular complex of sanctuaries, pylons, and obelisks built on a grand scale. Karnak was the most important place of worship during the height of Theban power.
