The complex is part of the UNESCO World Heritage Site known as the Nubian Monuments, which runs from Abu Simbel downriver to Philae (near Aswan).

The twin temples were originally carved out of the mountainside during the reign of Pharaoh Ramesses II in the 13th century BC as a lasting monument to himself and his queen Nefertari, to commemorate his alleged victory at the Battle of Kadesh, and to intimidate his Nubian neighbors. However, the complex was relocated in its entirety in 1968 on an artificial hill made from a domed structure high above the Aswan High Dam reservoir.

Following your visit to Abu Simbel, you will return to Aswan Airport to return to Cairo. Once you arrive in Cairo, you will be met and assisted at the airport and taken to your hotel for check-in.
