Day 2

Giza Pyramids, Memphis & Saqqara

After breakfast at your hotel, you will go on a tour of the Giza Plateau, which is about 30 minutes from Cairo. Once in Giza, your Egyptologist guide will introduce each of the three [Giza pyramids](#): Cheops, Khafre, and Menakaure, the only survivor of the Seven Wonders of the Ancient World. You will have free time to enter the burial chambers of the pyramids (optional, for an additional cost); however, your guide is not allowed to enter with you to avoid overcrowding. You may also ride a camel in the pyramids area (optional, for an additional cost). After visiting the pyramids, you will continue across the plateau for a photo opportunity of the three pyramids rising from the sands with the Cairo skyline in the background. A short drive to the city side of the plateau finds you standing at the feet of the Sphinx, for thousands of years the enigmatic symbol of Egypt. The [Great Sphinx](#), measuring 190 feet in length and 65 feet high, still stands as centurion over these magnificent royal tombs. This monumental landmark was carved out of a single piece of rock in the shape of a lion with a pharaoh's head. After your tour of the Giza Pyramids, you will drive to [Saqqara](#), which was built in 2650 B.C. and is home to Egypt's oldest pyramid. Your

guide will provide a brief history of the famous [Step Pyramid](#) and you will have free time to walk around. Your final stop is [Memphis](#), the ancient capital of Egypt. Here you will see artifacts from many of the great rulers of Egypt, including the fallen statue of Ramses II. After touring Memphis, you will have a chance to visit a Papyrus Institute to see how this famous artwork is made and have the chance to purchase genuine items if you wish. After the conclusion of your tour, you will drive back to your hotel for drop-off

Day 3

Luxor (Karnak Temple)
