Day 1

Luxor Trip From Hurghada

In the morning, your Hurghada hotel will be the starting point for a captivating journey to Luxor. A comfortable, air-conditioned car will transport you to explore the following:

Valley of the Kings:

Unveil the portal to paradise used by Egypt's greatest kings and queens during the New Kingdom (1570-1070 BC). With 63 tombs brimming with treasures and artifacts, this UNESCO World Heritage site is the resting place of pharaohs like Ramses II, Amenhotep I, Hatshepsut, and Tutankhamun.

Hatshepsut Temple:

Delve into the vision from paradise, known as Djoser-Djeseru or "Holy of Holies." Dating back to 1479 BC, this temple is a symbol of idealism, allure, and might, dedicated to the creator god Amun and honoring the legacy of Queen Hatshepsut.

Colossi of Memnon:

Behold two colossal blocks of quartzite sandstone, standing at 18 m (60ft) and weighing 720 tons each. Resembling Pharaoh Amenhotep III, these statues have guarded Luxor since their reconstruction in 199 AD after an earthquake in 27 BC, gaining fame during the Greco-Roman period due to the Vocal Memnon phenomenon.

Lunch Time:

Enjoy a delicious lunch before proceeding to the next destination.

Karnak Temple:

Explore the grandeur and beauty of the place where the heavens intervened, known as Ipet-isu or "The Most Selected of Places."

Constructed over 4000 years ago, Karnak Temple was a significant religious center dedicated primarily to the Theban triad: Amun, Mut, and Khonsu, although it also worshiped deities like Osiris, Ptah, and Isis.

As your Luxor day trip concludes, a private, air-conditioned car will transfer you back to your Hurghada hotel.
