Itinerary

Have you ever longed to visit the pyramids of Egypt like millions of others around the world? With Your Egypt Tours, you will have the opportunity to fulfill your dream with our Luxor day tour. Our dedicated

team will accompany you on your journey to ensure you have the best experience in Egypt.

Transfer from your hotel to Luxor International Airport and board a flight to Cairo. Your personal Egyptologist guide will meet and greet you at the airport before setting off on your journey through the land of the pharaohs. Begin by visiting the symbol of eternity, and the last survivor amongst the Seven Wonders of the Ancient World, the [Great Pyramids of Giza](#). Undoubtedly one of the most important monuments of Egypt, this architectural masterpiece will leave you awestruck by its grand scale. Your guide will provide you with a rich background of the region and the ancient monuments that have stood the test of time for over 4600 years.

You will have a few hours of free time to explore the Giza Plateau at your leisure. This is a great opportunity to take memorable photos of your trip to Egypt. You will also be able to take part in optional activities such as entering the pyramids and exploring its chambers, however your private guide will not be able to enter with you. Alternatively, you can choose to ride on camelback around the area (upon your request at an additional cost).

Continue towards the [Sphinx](#) and explore the monolith statue, which symbolizes power and wisdom. This statue was carved with a lion's body and the head of a pharaoh. This ancient monument shrouded in mystery was believed to serve as a guardian of the pyramids. Your

personal guide will provide you with rich knowledge about the Sphinx and its fascinating mythology.

Proceed to the Valley Temple and learn about the mummification process, before continuing towards the Egyptian Museum. There are a large variety of artifacts on display here. Your guide will focus on the highlights and masterpieces of the museum. Follow up with a visit to the Tutankhamun Wing on the first floor and see his wonderful collection of historical artwork. The treasures on display are mainly golden which cover a large section of the museum. However, you will find many other fascinating pieces on display such as statues, furniture, and sculptures made from different materials. After concluding your guided tour, you will have free time to explore the museum at your leisure.

End this exciting tour with a visit to the Khan El Khalili Bazaar, where you will find an assortment of souvenirs available for purchase. Enjoy a local beverage at the famous coffee shop El Fishawy. While exploring the bazaar during your free time, it is advisable to keep your guide's recommendation in consideration.
