#### Itinerary

Today our guide will accompany you to enjoy seeing and buying the most famous products of ancient Egypt. You will visit the papyrus gallery and perfume and oils store.

Papyrus is a reed that grows on the banks of the Nile River thousands of years ago. The ancient Egyptians made the first paper in history out of its soft part. They made baskets, Sandler, boats, and mats of its

green hard part.

During this tour, you will be shown how the paper is made and learn the characteristics that made the papyrus survive for thousands of years. The local artists in Egypt use it nowadays for art and drawing. They paint scenes and figures found on the walls of the tombs and temples. They use all types of ink and colors of your preference.
