After visiting the pyramids, you will continue across the plateau for a photo opportunity of the three pyramids rising from the sands with the Cairo skyline in the background.

A short drive to the city side of the plateau finds you standing at the feet of the Sphinx, for thousands of years, the enigmatic symbol of

Egypt. [The Great Sphinx](#), measuring 190 feet long and 65 feet high, still stands as a centurion over these magnificent royal tombs. This monumental landmark was carved out of a single piece of rock in the shape of a lion with a pharaoh's head.

After your tour of the Giza Pyramids, you will drive to [Sakkara](#), built in 2650 B.C. and home to Egypt's oldest pyramid. Your guide will provide a brief history of the famous Step Pyramid, and you will have free time to walk around.

Your final stop is [Memphis](#), the ancient capital of Egypt. Here you will see artifacts from many of the great rulers of Egypt, including the fallen statue of Ramses II.

Day 4

Abu Simbel (Optional trip)

(Optional trip) Today at 4 AM, you will go by bus to the impressive Temples of Ramses II in [Abu Simbel](#). The complex is part of the UNESCO World Heritage Site known as the “Nubian Monuments,” which runs from Abu Simbel downriver to Philae (near Aswan). The twin temples were originally carved out of the mountainside during the reign of Pharaoh Ramesses II in the 13th century BC as a lasting monument to himself and his queen Nefertari, to commemorate his alleged victory at the Battle of Kadesh, and to intimidate his Nubian neighbors. However, the complex was relocated in 1968 to an artificial hill made from a domed structure high above the Aswan High Dam reservoir.

The relocation of the temples was necessary to avoid their being submerged during the creation of Lake Nasser, the massive artificial water reservoir formed after the building of the Aswan High Dam on the Nile River. Abu Simbel remains one of Egypt's top tourist

attractions. With your qualified Egyptologist as your guide, you will enjoy a personalized visit to the temples of Abu Simbel. With its four rock-hewn pharaohs, your guide will explain the history behind this magnificent site, including how the temples were discovered by accident in 1813. Due to the large number of visitors to Abu Simbel, guides are not permitted inside either of the two temples you will visit. Then return to Aswan to board your 5-star deluxe Nile cruise.

Then sailing to [Kom Ombo](#) Through Aswan day tours. You will be escorted by your Egyptology-speaking guide to visit Kom Ombo temple, the crocodile-headed God of fertility and creator of the world, then you will take your lunch aboard your cruise with free time at leisure while sailing to Edfu to explore Edfu's Temple of Horus, Continue the cruise down to Luxor. Afternoon tea is served on the sun – deck with dinner.

The temple, or, more correctly, the complex of temples, was built over more than 2,000 years by generation after generation of pharaohs.

Within the complex, you will find the great "Hypostyle Hall," an incredible forest of giant pillars. After this, you will be transferred to Luxor temple, which Amenhotep III and Ramses II built for rituals and festivals dedicated to the god Amen. You will then be driven to Luxor Airport for a flight back to Cairo, where you will be prompted to your hotel.

Overnight: in luxurious Cairo hotel | **Meals:** Breakfast.

Day 7

After breakfast at your hotel, you will proceed to visit Cairo's famous [Egyptian Museum](#), which houses over 250,000 Egyptian artifacts, including the treasures of the tomb of King Tutankhamun. His five-gilded coffins dominate the main hall, while his magnificent death

mask is the star attraction.

After you visit the Egyptian Museum, you will proceed to the ancient sites and culture of [Coptic Christians](#). There you will visit Abu Serga, where the Holy family sought refuge, and Ben Ezra, one of the oldest synagogues in Cairo. Here you will learn about Christian life in Egypt.

You will also tour the [Citadel of Salah el-Din](#), where Mohamed Ali Alabaster Mosque stays. Your final stop will be [the Khan el Khalili bazaar](#), where your guide will give you an introduction to the famous markets which claim to have inspired Christopher Columbus to discover the Americas.
